3. PROPOSED GRANT OF GENERAL MANDATE TO REPURCHASE SHARES AND/OR ADSs

In order to give the Company the flexibility to repurchase Shares (including Class A Ordinary Share underlying ADSs) and/or ADSs if and when appropriate, without needing to convene a general meeting for each and every repurchase, an ordinary resolution will be proposed at the AGM to approve the granting of a new general mandate to the Directors to exercise the powers of the Company to repurchase Shares (including Class A Ordinary Share underlying ADSs) and/or ADSs representing up to 10% of the total number of issued Shares (excluding any treasury shares) as at the date of passing of such resolution (the “**Repurchase Mandate**”).

As at the Latest Practicable Date, the issued share capital of the Company comprised 539,516,649 Class A Ordinary Shares and 70,205,300 Class B Ordinary Shares. 4. PROPOSED RE-ELECTION OF DIRECTORS

Pursuant to the Corporate Governance Code set out in Appendix C1 of the Listing Rules and the Articles of Association, Mr. YANG Yi, Ms. ZHANG Yan and Mr. YIP Pak Tung Jason will retire at the AGM and, being eligible, will offer themselves for re-election as Directors at the AGM.

9. FURTHER INFORMATION

Your attention is drawn to the information set out in the appendices to this circular.

By order of the Board
Tuya Inc.
WANG Xueji
Chairman

The following is an explanatory statement required by the Listing Rules to be sent to the Shareholders to enable them to make an informed decision on whether to vote for or against the ordinary resolution to be proposed at the AGM in relation to the granting of the Repurchase Mandate.

1. REASONS FOR REPURCHASE OF SHARES AND/OR ADSs

The Directors believe that the granting of the Repurchase Mandate is in the interests of the Company and the Shareholders as a whole.

Repurchases of Shares and/or ADSs may, depending on the market conditions and funding arrangements at the time, lead to an enhancement of the net asset value per Share and/or earnings per Share. The Directors are seeking the grant of the Repurchase Mandate to give the Company the flexibility to do so if and when appropriate. The number of Shares and/or ADSs to be repurchased on any occasion and the price and other terms upon which the same are repurchased will be decided by the Directors at the relevant time, having regard to the circumstances then pertaining.

The Directors would only exercise the power to repurchase in circumstances where they consider that the repurchase would be in the best interests of the Company and the Shareholders.

2. SHARE CAPITAL

As at the Latest Practicable Date, the issued and outstanding share capital of the Company comprised 609,721,949 Shares, out of which 539,516,649 were Class A Ordinary Shares and 70,205,300 were Class B Ordinary Shares. Subject to the passing of the ordinary resolution set out in item 4 of the notice of the AGM in respect of the granting of the Repurchase Mandate and on the basis that the issued share capital of the Company remains unchanged as at the date of the AGM, i.e. being 609,721,949 Shares, the Directors would be authorized under the Repurchase Mandate to repurchase, during the period in which the Repurchase Mandate remains in force, up to a maximum of 60,972,194 Shares, representing 10% of the total number of Shares in issue as at the date of the AGM (excluding any treasury shares).

3. FUNDING OF REPURCHASES

Repurchases of Shares and/or ADSs will be funded from the Company's internal resources, which shall be funds legally available for such purpose in accordance with the articles of association of the Company in effect from time to time, the Listing Rules, the applicable laws of the Cayman Islands and/or any other applicable laws, as the case may be.

4. IMPACT OF REPURCHASES AND INTERIM MEASURES

Based on the current level of trading price of the Company's Shares and ADSs, the Directors believe that there may not be a material adverse impact on the working capital or gearing position of the Company (as compared with the position disclosed in the audited accounts in the annual report of the Company for the year ended December 31, 2024) in the event that the Repurchase Mandate was to be carried out in full at any time during the proposed repurchase period.

The Directors do not intend to exercise the Repurchase Mandate to such an extent as would, in the circumstances, have a material adverse effect on the working capital requirements of the Company or its gearing levels which, in the opinion of the Directors, are from time to time appropriate for the Company.

Following a repurchase of Class A Ordinary Shares or Class A Ordinary Shares underlying ADSs, the Company may cancel any repurchased Shares and/or hold them as treasury shares subject to, among others, market conditions and its capital management needs at the relevant time of the repurchases, which may change due to evolving circumstances. Shareholders and potential investors of the Company are advised to pay attention to any announcement to be published by the Company in the future, including but without limitation, any relevant next day disclosure return (which shall identify, amongst others, the number of repurchased shares that are to be held in treasury or cancelled upon settlement of such repurchase, and where applicable, the reasons for any deviation from the intention statement previously disclosed) and any relevant monthly return.

For any treasury shares of the Company deposited with CCASS pending resale on the Stock Exchange, the Company shall, upon approval by the Board implement the below interim measures (collectively, the “**Interim Measures**”) which include (without limitation):

- (i) procuring its broker not to give any instructions to HKSCC to vote at general meetings for the treasury shares deposited with CCASS;
- (ii) in the case of dividends or distributions (if any and where applicable), withdrawing the treasury shares from CCASS, and either re-register them in its own name as treasury shares or cancel them, in each case before the relevant record date for the dividend or distributions; or
- (iii) taking any other measures to ensure that it will not exercise any shareholders' rights or receive any entitlements which would otherwise be suspended under the applicable laws if those Shares were registered in its own name as treasury shares.

5. TAKEOVERS CODE

If, on the exercise of the power to repurchase Shares and/or ADSs pursuant to the Repurchase Mandate, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition of voting rights for the purposes of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (as defined under the Takeovers Code) could obtain or consolidate control of the Company and thereby become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code.

As at the Latest Practicable Date, without taking into account the voting rights attached to the 2,006,268 Class A Ordinary Shares held by the Depositary which may be used to satisfy any future exercise or vesting of awards granted under the 2015 Equity Incentive Plan, to the best knowledge and belief of the Directors, the WVR Beneficiaries are Mr. Wang and Mr. Chen. Mr. Wang and Mr. Chen beneficially own and control, through their intermediaries, an aggregate of 77,294,700 Class A Ordinary Shares and 70,205,300 Class B Ordinary Shares, representing (a) approximately 24.19% of the Company's issued Shares; (b) approximately 24.27% of the effective voting rights with respect to shareholder resolutions relating to Reserved Matters, on the basis that each Share entitles the Shareholder to one vote per share; and (c) approximately 62.87% of the effective voting rights, on the basis that Class A Ordinary Shares entitle the Shareholder to one vote per share and Class B Ordinary Shares entitle the Shareholder to ten votes per share. Pursuant to Rule 8A.15 of the Listing Rules, in the event that the Directors exercise the Repurchase Mandate, the WVR Beneficiaries must reduce their weighted voting rights in the Company proportionately through conversion of a proportion of their Class B Ordinary Shares into Class A Ordinary Shares, if the reduction in the number of Shares in issue (after deducting any treasury shares) would otherwise result in an increase in the proportion of Class B Ordinary Shares. As such, to the best knowledge and belief of the Directors, the exercise of the Repurchase Mandate is not expected to give rise to an obligation of the WVR Beneficiaries to make a mandatory offer under the Takeovers Code. The Directors have no present intention to repurchase the Shares and/or ADSs to the extent that will trigger the obligations under the Takeovers Code to make a mandatory offer. The Directors are not aware of any other consequences which may arise under the Takeovers Code as a result of any purchase by the Company of its Shares.

In addition, the Directors do not propose to repurchase Shares and/or ADSs which would result in less than the relevant prescribed minimum percentage of Shares in public hands as required by the Stock Exchange.

6. GENERAL

None of the Directors or, to the best of their knowledge having made all reasonable enquiries, any of their respective close associates (as defined in the Listing Rules) have any present intention to sell any Shares to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Company has not been notified by any core connected persons (as defined in the Listing Rules) of the Company that they have a present intention to sell any Shares to the Company, or that they have undertaken not to sell any Shares held by them to the Company in the event that the granting of the Repurchase Mandate is approved by the Shareholders.

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases of Shares and/or ADSs pursuant to the Repurchase Mandate in accordance with the Listing Rules and the applicable laws of the Cayman Islands.

The Company confirms that the explanatory statement set out in this Appendix contains the information required under Rule 10.06(1)(b) of the Listing Rules and that neither the explanatory statement nor the proposed share repurchase has unusual features.
