**GRANT OF RESTRICTED SHARE UNITS UNDER  
THE SHARE AWARD SCHEME**

Pursuant to Rules 17.06A, 17.06B and 17.06C of the Listing Rules, the Board hereby announces that on 1 August 2024, the Company granted a total of 2,550,000 RSUs, representing an aggregate of 2,550,000 Shares, to 79 Grantees pursuant to the Share Award Scheme, subject to the acceptance by the Grantees.

A summary of the aforesaid grant is set out below:

Grant Date:	1 August 2024
Number of Grantees:	79 (all being employee participants)
Total number of RSUs granted:	2,550,000 RSUs
Purchase price for the RSUs:	Nil
Closing price of the Shares on the Grant Date:	HK\$3.75 per Share
Vesting period of the RSUs:	The RSUs granted shall be vested over one to four years from the Grant Date, i.e. between 1 August 2025 and 1 August 2028. In any event, the Board has the discretion to accelerate the vesting schedule of the RSUs, subject to compliance of the requirements under Rule 17.03F of the Listing Rules as and when appropriate.

Performance target:

The 2,550,000 RSUs granted to 79 employee participants are subject to certain performance target and other requirements as set out in the grant letter entered into between the employee participants and the Company, including:

*Individual level performance: personal key tasks resolving and completion*

The Group will evaluate the employees' performance and their contribution to the Group. The number of RSUs that will vest in each anniversary of the Grant Date shall be determined based on the performance ranking of the employee participants of the relevant year. The performance ranking is linked to the performance of the employee participants (and in some cases, the departments of the employee participants) for the relevant year, as assessed by the Group.

Having considered that (i) the Grant of RSUs can bring about immediate incentivization effect to the employee participants, which is considered a more attractive motivation for their continuing contribution; and (ii) the Grant of RSUs with performance target is consistent with the Company's customary practice on previous grants of share incentives to the employees, the Remuneration Committee considers that, with performance targets in place, the Grant of RSUs to employee participants could align the interests of the Grantees with incentive to the Grantees to work towards successes of the Group, and reinforce their commitment to long term services of the Group, which is in line with the purpose of the Share Award Scheme.

Clawback mechanism: The Grant of RSUs to the Grantees are subject to the clawback mechanism under the Share Award Scheme in the event that the Grantee fails to reach his or her performance targets; such relevant Grantee's Award Shares and/or related income shall be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of the clawback policy of the Company as amended from time to time (the "**Clawback Policy**"). Any award so affected by the Clawback Policy will be treated as lapsed and will not be counted for the purpose of calculating the Scheme Limit.

In addition, in the event a Grantee ceases to be an eligible person under the Share Award Scheme by reason of the termination of his/her employment, any RSU granted to him/her shall lapse automatically.

Arrangement for the Group to provide financial assistance to a Grantee to facilitate the purchase of Shares: There are no arrangements for the Company or any of its subsidiaries to provide financial assistance to any Grantees to facilitate the purchase of RSUs under the Share Award Scheme.

To the best of the Directors' knowledge, information and belief having made all reasonable enquiry, none of the Grantees is (i) a Director, a chief executive, or a substantial shareholder of the Company, or an associate of any of them; (ii) a participant with options and awards granted and to be granted exceeding the 1% individual limit under Rule 17.03D of the Listing Rules; or (iii) a related entity participant or Service Provider with options and awards granted and to be granted in any 12-month period exceeding 0.1% of the total issued Shares (excluding treasury shares). None of the grant will be subject to approval by the Shareholders.

### **Number of Shares Available for Future Grant**

After the Grant of RSUs, an aggregate of 36,899,476 Shares will be available for further grant pursuant to the Share Award Scheme.

The current number of shares available for future grant under the Service Providers Limit is 3,417,456 Shares.

## **Reasons for and Benefits of the Grant of RSUs**

The purposes and the objectives of the Share Award Scheme include to: (i) align the interests of eligible persons under the Share Award Scheme with those of the Group through ownership of Shares, dividends and other distributions paid on Shares and/or the increase in value of the Shares; and (ii) encourage, attract and retain eligible persons to make contributions to the long-term growth and profits of the Group.

The reasons for the Grant of RSUs are to provide incentives for the Grantees to exert maximum efforts and reward continued efforts for the success of the Group, and to provide a means by which the Grantees may be given an opportunity to benefit from increases in value of the Shares through the Grant of RSUs. The Board considered that the grants under Share Award Scheme will provide incentives to the employee participants of the Group to further contribute to the Group and to align their interests with the best interests of the Company and the Shareholders as a whole. The Grant of RSUs forms part of the remuneration to the Grantees.
